¿Qué es UX?...y...¿Qué no es UX?

Juan Ramón González Morales

Software Analyst at Palisis

Granada Area, Spain

Extract

Software Analyst.

Working on software development since 2014.

Main in PHP stack (PHP + Laravel + MySQL).

Very interested in User eXperience and performance improvement.

Clean, maintainable and robugsted code as way to work.

Also have worked on .NET (C# + SQLServer).

In addition, with knowledge on FrontEnd stack (HTML + CSS3 + JavaScript)

Currently working on:

- PHP + Laravel + MySQL
- UX Design

Interesting in making a new agile and easier web for everyone.
